

Guide to Local Food, Farms & Agricultural Products Of Jericho & Underhill

Produced by the
Jericho Underhill Food Hub

www.Jufoodhub.org

jufoodhub@gmail.com

PO Box 171, Underhill VT 05489

Jericho Underhill Food Hub

The Jericho Underhill Food Hub is a network of volunteers, formed in 2024, to support local farms, foods and agriculture in our two towns. We believe that buying local food supports the farmers who are feeding us, caring for the land, and recirculating our money in the local economy.

Jericho Underhill Food Hub aims to

- Publicize and promote local food and farms
- Improve access to local food
- Educate about fresh food, how to grow it and where to buy it
- Grow foods for local food shelves
- Support value-added local food production
- Strengthen community by celebrating local foods together

We meet on the 4th Wednesday each month at the Deborah Rawson Memorial Library 6:00-7:30pm. Join us for a project, an event, or bring your curiosity and ideas to a meeting. All are welcome!

About This Guide

We created this guide to make it easier to shop for fresh, healthy food, get to know your farmers in town and be part of a thriving Jericho Underhill economy. The Guide is organized alphabetically first by the Jericho and Underhill businesses, then by the vendors you will find at the Jericho Farmers Market. Under each listing, you will see a list of items grown or produced, followed by directions on how or where to make a purchase. The Index includes specific foods with page numbers locations, followed by two pages about local food resources and programs for financial assistance.

Our listings include farms and businesses that use raw materials from our two towns, offer sales of agricultural related products here and/or sell homemade food products. Keeping our local lands in agriculture and our farms viable, we have emphasized those farms and businesses that are mainly in Jericho and Underhill. We made our best effort to be accurate and to be inclusive, and apologize for any mistakes on our part.

Why buy local?

Our national economy pays farms only about \$0.16 for every dollar consumers spend on food. When you buy local food directly from the farmer, the farmer gets the full amount of your purchase.

- Supporting local food means adequately funding our farms for all their time, money and effort.
- When farms are viable, they stay in operation and provide us with food as well as the open landscapes we enjoy.
- Local purchases reduce long-distance transportation and packaging of food, an ecological win.
- And when we buy locally, we are investing in our local economy, keeping these funds in-state.

Farmers Markets

One way to purchase local foods is to visit one of the local farmers markets. Here you'll find vegetables, fruits, meats, honey, maple syrup, yarns, herbs and herb products, home baked breads and treats, local crafts, as well as a dinner selection often made with local foods. Apart from the great foods there is a musician providing entertainment, and a chance to see neighbors in this leisurely setting.

Local Farmers Markets	Address	Day of Week	Time	Months in Operation
Jericho	Mills Riverside Park 338 VT-15, Jericho	Thursday	3:00-6:30	5/22/2025 - 10/9/2025
Cambridge	Cambridge Greenway Lawn 49 Old Main St, Jeffersonville	Wednesday	4:00-7:00	6/4/2025 - 10/1/2025
Richmond	Volunteer Green 200 Bridge St, Richmond	Friday	3:00-6:30	5/30/2025 - 10/17/2025
Westford	Town Common VT-128, Westford	Sunday	3:00-6:00	6/1/2025 - 9/28/2025
Essex Parks & Rec	Sand Hill Park 208 Sand Hill Rd, Essex	Wednesday	3:30 - 6:30	6/4/2025 - 10/15/2025

Local Food Affordability For All

The Jericho, Richmond and Essex Parks & Rec Farmers Markets accept 3SquareVT/SNAP benefits and can supplement purchases through the Crop Cash and Crop Cash Plus programs. For each \$1 spent at the farmers market, you receive extra money to spend on local fruits, vegetables, herbs, and culinary seeds and plant starts. Markets will match up to \$20 of your SNAP benefits per day.

Example: If you were to spend \$10 of SNAP benefits at the market, you would get \$10 of Crop Cash (for fruits/vegetables) and \$10 of Crop Cash PLUS (for SNAP-eligible items). That's a total of \$20 extra dollars to spend at the market!

Local Access to Food

Community Food Sharing Sheds

These are structures built by community members where neighbors can share home grown food. The food sheds rely on home gardeners supplying extra vegetables, fruits, and plants for anyone to use. They are open during the summer season and provide easy access to free food. Visit them often because the types of food available varies each day. There are 3 in our 2 towns: Jericho Center near the Community Center, Underhill Center across from the Town Hall, and Underhill Flats off Park Street behind the United Church of Underhill.

Food Shelf

A local food shelf can be a reliable source of food for both small and large families, usually operated by local churches. Our local food shelf gathers goods donated at churches, at local grocery stores, and purchases through the Vermont Food Bank. The groceries include a wide variety of canned, fresh, and high protein foods. You can register at the monthly distribution but you should check their website or call them for details. People in our 3 towns get priority.

Essex Jericho Underhill (EJU) Ecumenical Food Shelf
272 VT Route 15, Jericho
802-578-6691
Open the 3rd Saturday of each month from 9-10:30.
www.ejufoodshelf.com

--	--	--

Federally Supported Food Programs

- 3Squares VT - also known as Supplemental Nutrition Assistance Program, SNAP/EBT (formerly known as food stamps). This program helps limited-income individuals and families buy the food they need. www.vtfoodbank.org/access-food/3squaresvt/
- Commodity Supplemental Food Program (CSFP) - Vermont Food Bank administers this program that provides food for people over 60. (It is currently taking names for the waiting list). 1-800-214-4648
- Women, Infants & Children (WIC) - A program that provides food for mothers and children. 802-863-7323; www.healthvermont.gov/family/wic/wic-basics
- Meals On Wheels - A program that delivers meals daily for homebound individuals. 1-800-642-5119

NOFA Farm Share Program - Provides financial assistance to people looking to purchase a farm CSA. When you sign up for a CSA at a farm, you pay in advance for a portion (or "share") of the farm's upcoming harvest and receive a regular box of farm-fresh food all season long. The NOFA Farm Share Program provides Vermonters financial assistance for CSA shares reducing the cost by 25-75%. It allows Vermonters to access more healthy, local food while ensuring farmers are fully compensated for their work. Some individual farms also offer farm share financial assistance for CSAs.

BackPack Summer Meal Program - A State supported food distribution program for children during the summer providing meal kit boxes that include 7 days of breakfast and lunch foods. All children 0-18 eat for free—no paperwork, no registration, no I.D. needed! Local distribution site is Browns River Middle School, 20 River Road, Jericho. Pick up the meal kits at the back entrance near the gazebo. Parents/guardians may pick up meals on behalf of children without them present. Distribution will be Thursday afternoons, 3:00-5:30 pm, from 6/26/25 - 8/7/25.
